

Ultragenyx to Present at J.P. Morgan Healthcare Conference

January 3, 2019

NOVATO, Calif., Jan. 03, 2019 (GLOBE NEWSWIRE) -- Ultragenyx Pharmaceutical Inc. (NASDAQ: RARE), a biopharmaceutical company focused on the development of novel products for serious rare and ultra-rare genetic diseases, today announced that Emil D. Kakkis, M.D., Ph.D., the company's Chief Executive Officer and President, will present at the 37th Annual J.P. Morgan Healthcare Conference on Tuesday, January 8, 2019 at 4:00 pm PT in San Francisco.

The live and archived webcast of the company presentations will be accessible from the company's website at <http://ir.ultragenyx.com/events.cfm>. The replay of the webcast will be available for 90 days.

About Ultragenyx Pharmaceutical Inc.

Ultragenyx is a biopharmaceutical company committed to bringing to patients novel products for the treatment of serious rare and ultra-rare genetic diseases. The company has built a diverse portfolio of approved therapies and product candidates aimed at addressing diseases with high unmet medical need and clear biology for treatment, for which there are no approved therapies.

The company is led by a management team experienced in the development and commercialization of rare disease therapeutics. Ultragenyx's strategy is predicated upon time and cost-efficient drug development, with the goal of delivering safe and effective therapies to patients with the utmost urgency.
